# Hey Bestie™

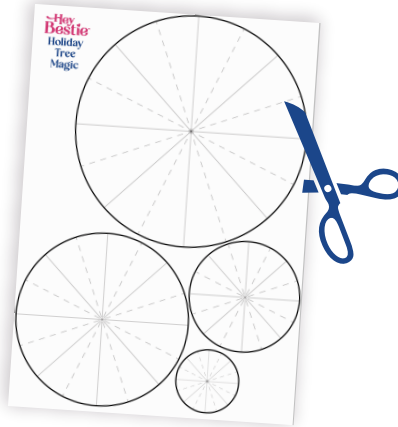

## Holiday Tree Magic: Instructions

1

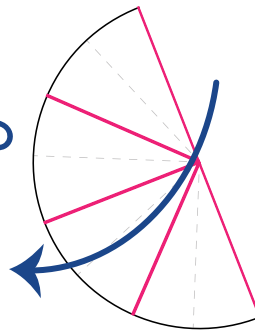

Paint or color in the circles.

2

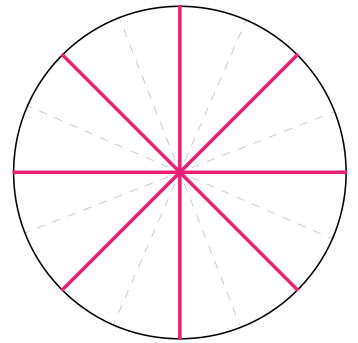

Cut out the circles.

3

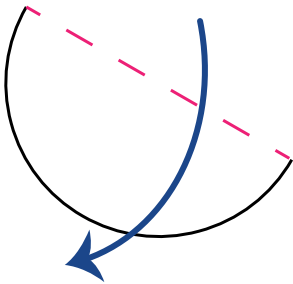

Fold a solid line.

4

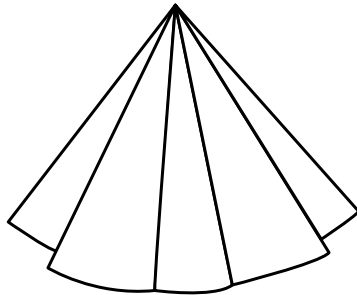

Unfold. Repeat steps 3 and 4 to fold all the remaining solid lines.

5

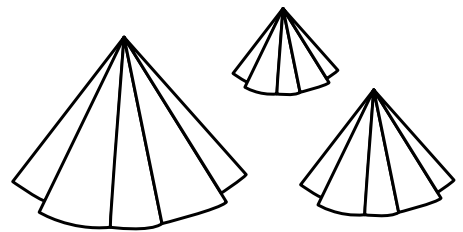

Flip the circle over and fold all the dotted lines.

6

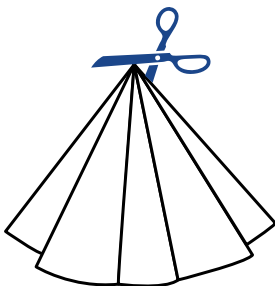

Shape the circle into a cone.

7

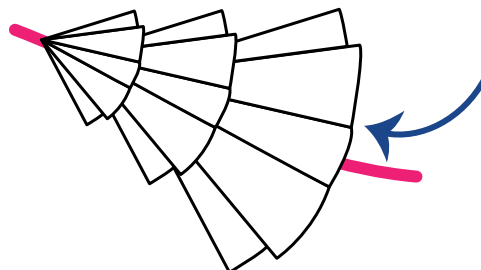

Repeat for the 3 remaining circles.

8

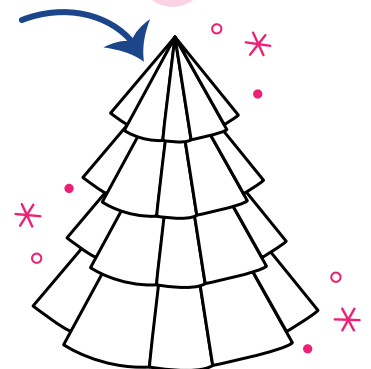

Cut a small hole through the tops of the 3 bottom sections of the tree.

9

Insert a pipe cleaner through the center of each of the 3 bottom sections of the tree.

10

Top with the smallest section of the tree.
